RE: .ORG Advisory Council Nomination

Dear Mr. Soboutipour:

Congratulations on your selection to the Public Interest Registry .ORG Advisory Council. It is an honor to welcome you to this very special worldwide group of leaders from the .ORG Internet community. Your three (3) year term will commence on April 15, 2008.

The Council is an essential ingredient in fulfilling our mission. You will serve as a resource for management and the PIR Board, as we seek to incorporate community input on policy, services and outreach decisions.

You will be receiving a welcome package in the next several weeks which will bring you up to date on current council initiatives, other council member contact information, previous priorities and future direction. In addition, a press release will be sent out on April 1, 2008, and you will receive a copy of the release prior to its distribution.

We look forward to your contributions and appreciate your support.

Sincerely,

Alexa A.S. Raad
CEO, Public Interest Registry
